By unconnected we mean these people should not be related by blood; married to each other; in a long-term relationship with each other or living together at the same address.

We consider it good practice for organisations to have at least three unconnected Trustees or members on its Board or Committee. If you do not have this, we cannot consider your application.

[OSCR](#) and [SCVO](#) have some useful resources on good governance. Your local [Third Sector Interface](#) may also be able to provide you with some guidance around this.

By paid members of staff, we mean Trustees who are employed by your organisation and receive a salary.

IF YES – Please provide details below and tell us how your organisation manages this:

Please tell us their name(s), position within the organisation and their role on the board, e.g. Chair. Do you have a conflict of interest policy in place? Please also tell us about any plans to change your Board structure, for example if the post holder will be stepping down as a Trustee.

If your work involves children, young people or vulnerable adults do you have a policy document which sets out how you will keep them safe?

- Yes
- No
- N/A

If your work involves children, young people or vulnerable adults we can only accept an application from you if you have a policy in place which sets out how you will keep them safe. You can find more information on safeguarding, including useful resources and guidance, on the [NSPCC](#) and [Children 1st](#) websites.

Does your organisation have an Equality and Diversity Policy or policies that ensure everyone has access to the same opportunities and the same, fair treatment?

- Yes
- No

We consider it good practice for organisations to recognise and promote equality and diversity, in all its forms, throughout their work. We can only accept applications from organisations who have written policies in place detailing how they will avoid discriminating against people. This includes how they create a safe and inclusive atmosphere, both within the workplace and for the people they support.

If you do not have a policy/policies in place, we cannot consider an application from you.

You can find more information about promoting equality and diversity within your organisation in the [Scottish Governance Code for the Third Sector](#). Your local [Third Sector Interface](#) may also be able to provide some guidance around this.

About your work

What does your organisation do and who does it support?

Please tell us, in your own words, what your organisation does and who it supports. Are there any specific groups of people that you work with? Further information on this and the types of work we are looking to fund through our community building fund can be found in our guidance.

Please tell us about the capital work you would like us to fund:

We can consider the capital costs of new community buildings or the upgrade/refurbishment of existing ones. These should be multi-purpose, open/accessible and primarily provide services for the entire community.

How have you involved local people in the development of this work?

Tell us about any community consultation you've carried out and how you have involved local people in decision making. Please summarise your processes, timescales and the findings of local consultations.

Please provide details of the range of services and activities that will be delivered from the community building:

Explain how your community building is multi-purpose by providing details of the services and activities you will provide or host. Please also list any partner organisations that deliver (or plan to deliver) services from the building.

How will the community building, and the services and activities delivered within this, benefit the community?

Tell us about the needs of the people who will use the community building and how the services/activities within this will help to address the issues they face, in line with our funding themes. We want to support organisations which take a relational approach to their work, treating people as individuals and focusing on the key principles of fairness, dignity and respect. Please also explain here how this will be reflected in the services/activities delivered from the community building. Information on our three themes and what we look for in an application can be found in our guidance.

How will the community building and its services complement other facilities/services in your area?

Please tell us about how you link in with and/or signpost to other services and community facilities in your area to ensure you meet the needs of your community and the people you support. An example of this might be working with a local citizens advice bureau to ensure everyone has access to advice and financial support.
